Before & after

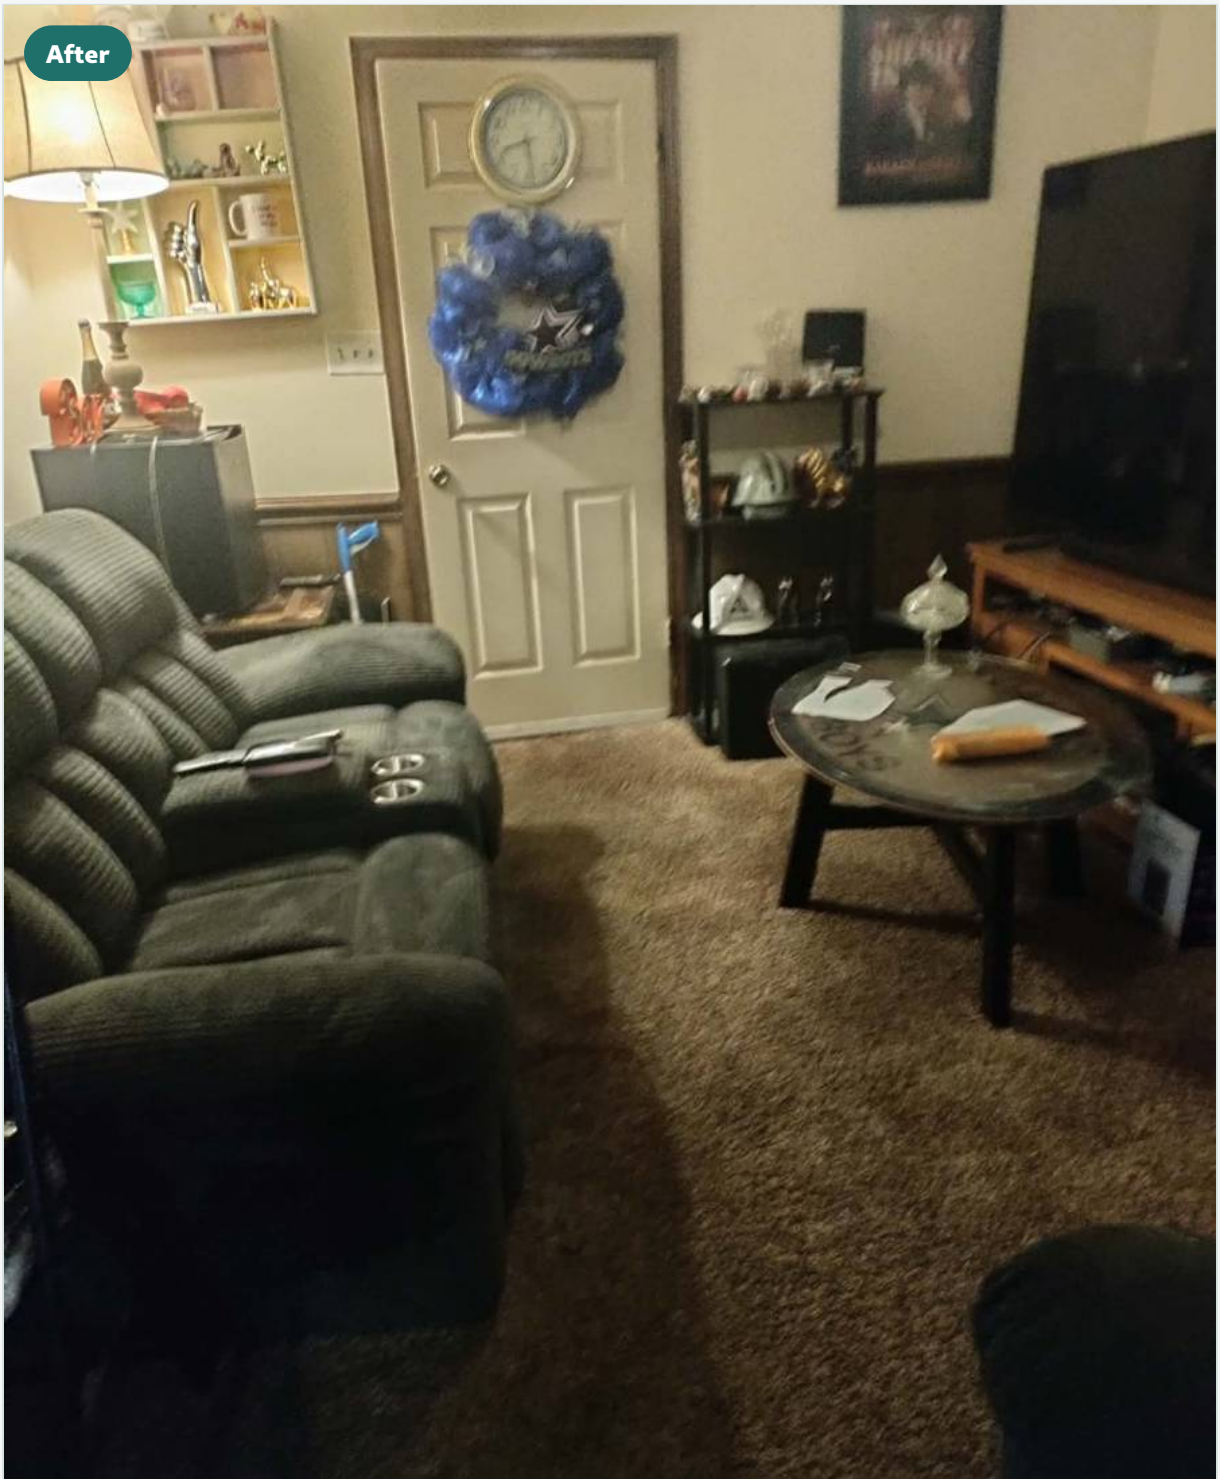

Cleaning and organizing results from one home: kitchen, living room, dining room and bathroom, reset room by room.

Living room | Kitchen | Entry & dining | Bathroom

Living room

Supplies and clutter cleared from the coffee table and floor. Surfaces, shelves and seating are tidy and the room is ready to use.

Entryway & dining room

The entry was stacked with supplies and packages. Afterward the dining room beyond it is set up and the path through is clear.

After

Bathroom

Fixtures and shelves reset, with a clean, uncluttered vanity.
